**AFR Instructions**

Page	Reference	Instructions
	Instructions	These instructions are provided to help school districts prepare the annual financial report (AFR). Within the forms, blue font indicates that an instruction is linked to that specific line. An instructions button has also been provided that links to any general instructions or to the first instruction for a page. <b>To return to the related forms after reviewing the instructions, simply click on the form's tab at the bottom of the Excel screen or press the Alt and back arrow keys.</b>
	Reconciling	All revenues, expenditures, and fund balances presented on the AFR must agree with the district's final accounting records for the year ended June 30, 2014. Before completing the AFR, districts must reconcile their accounting records to the County School Superintendent's (CSS) records after the CSS has reconciled to the County Treasurer. (Districts in the accounting responsibility program must reconcile to the County Treasurer before completing the AFR.) Accrued revenues and expenditures at June 30, 2014, not recorded by the CSS should be identified as reconciling items on the reconciliation and must be included in the revenues and expenditures reported in the AFR.
	Budget Amounts	Budget amounts should be taken from the district's most recently revised, adopted FY 2014 expenditure budget, which has been submitted to ADE.  All budget and actual amounts reported throughout the AFR should be rounded to the nearest dollar.
	Reporting Sub-funds	<b>Any district using funds for internal management purposes that are not included in the USFR Chart of Accounts should combine revenues and expenditures from those funds into the appropriate bold-level fund for proper reporting on the AFR. For example, if the District uses a sub-fund such as 611 to account for its capital override then that sub-fund's activity should be included in the reported amounts for Fund 610—Unrestricted Capital Outlay.</b>
	Revenue General	Revenues must include cash receipts through June 30, 2014, and accrued revenues received during the 60-day encumbrance period following fiscal year-end. Examples of accrued revenues are:  1) federal reimbursements received for meals served in FY 2014; 2) property taxes collected for levies of prior fiscal years; 3) tuition received for students attending the district during FY 2014; 4) FY 2014 CSF revenues received; 5) FY 2014 state aid apportionment rollover payments made in the beginning of July 2014 (FY 2015), pursuant to Laws 2013, 1st Special Session, Ch. 1, §129.  In addition, revenues must include any cash receipts of FY 2014 that relate to a prior fiscal year but were not received in the prior year's encumbrance period; such as, FY 2013 Statewide recalculation adjustments made in October 2013, as described in School Finance Memorandum 14-016.
	Expenditure General	Expenditures must include cash disbursements through June 30, 2014, and payments made after fiscal year-end, but <u>prior</u> to August 30, 2014, for goods and services received on or before June 30, 2014.
Cover	Name, County, CTDS Number	The district name, county, and CTDS number should be entered on the cover page of the AFR. The CTDS number should not contain any slashes, dashes, etc., and must be exactly nine digits. Zeros should be entered to fill the School portion of the number on the cover page. This information will be automatically transferred to other sheets in the file.
Cover	Alert	An Alert will appear on the Cover of the AFR when commonly missed areas of the AFR are not completed. The Alert will disappear as the related areas of the AFR are completed. Districts should complete all areas of the AFR that apply to their district operations, whether or not an item is listed in the Alert. This Alert does not replace the need for a separate district employee to review the AFR for accuracy and completeness.

**AFR Instructions**

<b>Page</b>	<b>Reference</b>	<b>Instructions</b>
1	SCA Fund 625	Pursuant to Laws 2013, 1st Special Session, Ch. 3, §§28 and 49, the ending fund balance and any cash balance remaining in the Soft Capital Allocation (SCA) Fund at the end of fiscal year 2013 must have been transferred to the Maintenance and Operation (M&O) or Unrestricted Capital Outlay (UCO) Funds in FY 2014. No transactions other than the transfer(s) recorded to close out the fund should be recorded in the SCA Fund for FY 2014. However, if the district already recorded the transfers in FY 2013 to close the SCA Fund no activity should be reported on any of the lines for the SCA Fund in FY 2014. No delinquent taxes or interest should have been allocated to the SCA Fund in FY 2014. If such allocations were made, they should be reversed by journal entry and recorded in the M&O or UCO Fund instead.
1	Line 1	The beginning fund balances at July 1, 2013, should be the ending balances reported on the AFR for FY 2013, if the ending balances were reported correctly, or the district may compute them as follows:  Cash, prepaid, and inventory balances (object codes 0100, 0150, and 0160) at 6/30/13. Plus: Accrued revenues as of 6/30/13, received during the 60-day period following 6/30/13. Less: Payments made during the 60-day period following 6/30/13, for goods and services received on or before 6/30/13, but not paid for by that date.
1	Footnotes 1 and 3	The beginning and ending fund balances for the M&O Fund should include the amount of the M&O Fund revolving account cash balance at July 1, 2013, and June 30, 2014, respectively. The revolving account balances should also be recorded in the spaces provided in footnotes (1) and (3).
1	Lines 5 through 16	Districts charging tuition for full-day kindergarten or preschool programs should not record such revenues in the M&O or UCO funds. These tuition revenues should be recorded in the Community School Fund (520) on page 6 of the AFR.
1	Lines 25 and 26	The amounts reported on these lines (from the district's accounting records) should be compared to the total state equalization assistance and total additional state aid amounts shown on the most recent, ADE report, APOR 64-1.
1	Line 29	<b>Do not include</b> Federal Impact Aid revenues received on this line. These revenues should be reported in Fund 378 on page 5.
1	Line 39	This line should include Impact Aid monies transferred to the M&O Fund. Impact Aid revenues should be recorded in the Impact Aid Fund, but may be transferred to the M&O fund to provide cash for the difference between the Transportation Revenue Control Limit and Transportation Support Level or to reduce or eliminate taxes.  In FY 2014, this line should also include any amounts transferred from the SCA Fund to the M&O and/or UCO Funds to close out the SCA Fund.
1	Line 42	Total expenditures for the M&O and UCO Funds are pulled from page 2, line 33 and page 4, line 10, respectively. Expenditures must be entered for the Adjacent Ways and Debt Service Funds here and on page 6, line 26 and line 38, respectively.
1	Line 43	In FY 2014, report the amount transferred from the SCA Fund to the M&O and/or UCO Funds to close out the SCA Fund. However, if the district made this transfer in FY 2013, no amounts should be reported on any line for the SCA Fund in FY 2014.
1	Line 45	The FY 2014 ending fund balance for the SCA Fund must be zero. The SCA Fund will <b>not</b> be included on the FY 2015 AFR.
2	Lines 12 and 13	Program 630 and Programs 700, 800, 900 budget amounts were reported in total on the expenditure budget; however, they should be presented separately for AFR purposes. <b>Formulas are not included to pull amounts from the Expenditure Budget, therefore, budgeted amounts for these lines must be entered manually.</b>

**AFR Instructions**

<b>Page</b>	<b>Reference</b>	<b>Instructions</b>
3	General	Expenditures coded during the fiscal year to any of the individual Classroom Site Funds (011-013) that would have caused the district to exceed the Classroom Site Fund Budget Limit or the appropriate percentage allocation for the individual fund should be reclassified to the M&O or other appropriate fund before the AFR is completed.
4	UCO Override Line 1	Enter the actual expenditure amounts from any Unrestricted Capital Outlay Override authorized by A.R.S. §15-481. Amounts included on line 1 must also be included on lines 2-9, as appropriate.
4	UCO Fund Expenditures Lines 2-9	Enter <u>all</u> expenditures from the UCO Fund including Special K-3 Program Override and Joint Career and Technical Education and Vocational Education Center, as reported on the Supplement, page 2, and Desegregation, as reported on the Desegregation Supplement-Districtwide, page 3.
4	Other Funds—Required Capital Expenditure Detail for Funds 610, 630, & 695	In accordance with A.R.S. §15-904(B), detailed budgeted and actual expenditures from the UCO (610), Bond Building (630), and New School Facilities Funds (695) must be reported for the object codes listed. This may not include all expenditures of these funds. Total expenditures for the UCO Fund are included in the table above, and total expenditures for each of the remaining funds will be included in the Other Funds table on page 6. In addition, these detailed expenditures must be separately reported as new construction or renovation. If the designation of new construction or renovation does not apply to a particular expenditure reported on lines 1-10, the amount should be reported as "Other." Therefore, the budgeted and actual expenditures for each fund reported on lines 1-10 must agree to the total amounts reported on line 14, by fund.
4	New construction cost per square foot	Report the cost per square foot for new construction projects in progress or completed during the fiscal year for Funds 610, 630, and 695. For projects still in progress at year-end, districts should calculate the cost per square foot by dividing the <u>anticipated</u> total cost of all projects upon completion by the <u>anticipated</u> total square footage of all projects upon completion. For projects that were completed during the fiscal year, districts should calculate the cost per square foot by dividing the total <u>actual</u> cost of all projects upon completion by the total <u>actual</u> square footage of all projects.
4	Capital Assets, Lines 1-3	Enter the total costs (before depreciation), by asset classification, for all assets recorded on the capital assets list as of June 30, 2014. Assets with costs below \$5,000 should not be included on the capital assets list or in amounts reported here unless the district's governing board has established a capitalization threshold of less than \$5,000. Do not include stewardship list items in these amounts.
4	Capital Assets, Line 4	Enter the total cost of construction in progress as of June 30, 2014. This amount will not appear on the capital assets list as of June 30, 2014, as these amounts are not recorded on the list until the project(s) is completed.
5	Fund Transfers (Out) 6910 & 6930	<b>Transfers-out must be entered as negative numbers (with a minus) on this page. Transfer amounts should not be included in the actual expenditures column.</b>
6	Other Funds—SCA Line 27	No revenues or expenditures should be recorded in the SCA (625) Fund for FY 2014. Only transfers-out to close out the fund should be recorded. The FY 2014 ending fund balance for the SCA Fund must be zero. The SCA Fund will <b>not</b> be included on the FY 2015 AFR.
6	Other Funds—Bond Building and New School Facilities Lines 28 & 37	Actual expenditures for the Bond Building (630) and New School Facilities (695) Funds should include all expenditures reported on page 4 for the required capital expenditure detail <b>and</b> any other expenditures from these funds.

**AFR Instructions**

<b>Page</b>	<b>Reference</b>	<b>Instructions</b>
6	Fund Transfers In (Out) 5200 (6930)	<b>Transfer amounts should not be included in the actual revenue and expenditures columns. Transfers-out (object code 6930) must be entered as negative numbers (with a minus) on this page.</b>
6	Internal Service Funds—IGAs Line 2	If fund numbers other than 955 are used for Intergovernmental Agreements, include activity from all intergovernmental agreement funds on this line.
7	General	Page 7 includes several sections that are independent from one another and serve separate purposes. Be sure to read any instructions available for each individual section, as some expenditures may be reported in more than one section.
7	Section B— Liabilities in Excess of the Budget	If the actual expenditures incurred in excess of the budget were less than the amount approved by the county, include only the actual expenditures incurred in excess of the budget in this section, <b>not</b> the amount approved by the county.
7	Section C— Current Expenditures by Category	A.R.S. §15-255 requires the Superintendent of Public Instruction’s Annual Report to include total current expenditures per pupil and separate per pupil amounts by type of district for (1) classroom instruction excluding classroom supplies, (2) classroom supplies, (3) district and school administration, (4) support services—students, and (5) all other support services and operations. ADE will calculate the “per pupil” amounts based on the total current expenditures reported on lines 1 through 5 in this section.  Current expenditures include expenditures from all funds for elementary and secondary education (e.g., M&O, CSF, Auxiliary Operations, Extracurricular Activities Tax Credit, most federal and state projects, etc., for PSD-12). Current expenditures do not include expenditures for tuition paid to other Arizona school districts, land and improvements, buildings and improvements, furniture, equipment, technology, vehicles, Internal Service Fund operations, Community School Fund operations, debt retirement, student activities, and non-PSD-12 school programs appropriately recorded in Program Codes 700, 800, and 900 (e.g., adult/continuing education, community college education, community services, and day care centers).
7	Section F—Rewards, Discounts, Incentives, and Other Financial Considerations Received from Credit Card Companies	A.R.S. §35-391, added by Laws 2014, Ch. 118 requires districts to report the amount of any reward, discount, incentive or other financial consideration received as a result of making payments to vendors with a credit card. For this requirement, credit card is defined as:  (a) Any instrument or device, whether known as a credit card, charge card, credit plate, courtesy card or identification card or by any other name, issued with or without a fee by an issuer for the use of the cardholder in obtaining money, goods, services or anything else of value, either on credit or in possession or in consideration of an undertaking or guaranty by the issuer of the payment of a check drawn by the cardholder, on a promise to pay in part or in full at a future time, whether or not all or any part of the indebtedness represented by this promise to make deferred payment is secured or unsecured.  (b) Any debit card, electronic benefit transfer card or other access instrument or device, other than a check that is signed by the holder or other authorized signatory on the deposit account, that draws monies from a deposit account in order to obtain money, goods, services or anything else of value.  (c) Any stored value card, smart card or other instrument or device that enables a person to obtain goods, services or anything else of value through the use of value stored on the instrument or device.  (d) The number assigned to an instrument or device described in subdivision (a), (b) or (c) of this paragraph even if the physical instrument or device is not used or presented.

**AFR Instructions**

<b>Page</b>	<b>Reference</b>	<b>Instructions</b>
8	Section A— Enrollment of Gifted Pupils	The total unduplicated enrollment reported in Section B cannot be greater than the total duplicated enrollment reported in Section A.
8	Section C— Special Education Programs by Type	Report all M&O monies spent for special education (Program 200) operational expenditures in the Actual column to assist ADE in the maintenance of effort calculations for all special education expenditures. The actual amounts allocated to individual programs should be calculated by the same method used to allocate individual program costs to the budget. Documentation supporting the cost allocation method should be retained at the district and should include the reasoning behind the allocation, a list of the programs, the number of teachers and students by program, and all computation work sheets.
8	Section E— Expenditures for Audit Services	<b>Do not include</b> the costs of non-audit services such as consulting and application fees paid for submission of district's Comprehensive Annual Financial Report to ASBO and GFOA for certification or fees for preparation of the Meritorious Budget Award application to ASBO in the nonfederal or federal audit services actual expenditures in this section.  On <b>Line E.1</b> , enter the <u>actual</u> M&O Fund expenditures paid in FY 2014 related to nonfederal program and compliance audits.  On <b>Line E.2</b> , enter the total <u>actual</u> federal audit service expenditures paid in FY 2014 from <u>all funds</u> .
8	Sections G and H	Do <b>not</b> report expenditures for the Performance Pay Component of the Classroom Site Fund or the Instructional Improvement Fund on these lines.
8	Section I—Tuition	Districts should use this table to report expenditures for all tuition object codes, 6561 through 6569, based on <b>paid tuition invoices</b> , including operations, capital, and debt.  -Type 03 districts should fill in lines 1 through 4 and 7 through 9.  -All Districts, other than Type 03 districts, should fill in lines 5 through 9.
9	General	The information included on this page will be used by ADE to complete the National Public Education Financial Survey (NPEFS) issued by the National Center for Education Statistics. Data from NPEFS is used to calculate a state per pupil expenditure amount that is used in the formula for allocating a number of federal program funds to states and school districts, including: Title I, Impact Aid, and Indian Education. Other programs make use of state per pupil expenditure data indirectly because their allocation formulas are based, in whole, or in part, on state Title I allocations. The NPEFS data is also used by researchers and government policymakers to address important education policy and research issues.
9	Additional Information for NPEFS Reporting	Report <b>all</b> expenditures from <b>funds 020 through 799</b> . The total expenditures included on line 15 should be used as a check figure against the total expenditures for these funds in the districts' accounting records.  <b>Do not include</b> expenditures from Funds 001, 011, 012, and 013, as detailed information for NPEFS reporting for those funds will be obtained by ADE from pages 2 and 3 of the AFR. In addition, <b>do not include</b> expenditures from Funds 800 and above as they are fiduciary (trust and agency) or proprietary (enterprise and internal service) funds and are not reported in the NPEFS.
9	Programs 700-900 Expenditure Detail	The total expenditures reported in this table for programs 700-900 should agree to the total expenditures reported in the "Programs 700-900" column in the table above.
9	Property Detail for Function 4000	The total expenditures reported in this table should agree to function 4000 expenditures reported on line 13 for the "Property" column in the table above.

**AFR Instructions**

<b>Page</b>	<b>Reference</b>	<b>Instructions</b>
9	Teacher Salaries Lines 1-5	Report base salaries (including CSF Performance Pay and Career Ladder addenda), overtime, and additional compensation paid to certified teachers, certified substitute teachers, and contract teachers from all funds for the specified programs. Do not include salaries paid to instructional aides or assistants or any noncertified teachers. If a teacher is paid from more than one program, allocate the salary based on the amount of time instructing in each program.  If the district has used the optional object codes in the Chart of Accounts for teachers and substitute teachers, amounts for certified teachers should be recorded in object code 6112 and amounts for certified substitutes should be recorded in object code 6113.
9	Other Items— Textbooks Line 6	Report expenditures for textbooks, periodicals and other print medium used for classroom instruction. Do not include expenditures relating to on-line texts or tools.
Summary	General	The Summary condenses the information in the AFR for more economical publication. Most information in the Summary automatically pulls from the AFR, so the AFR should be completed before the Summary.
Summary	ADM	Obtain total Attending ADM for FY 2013 and FY 2014 from ADE’s ADM Attending Summary reports (ADMS 45-2). Obtain total Resident ADM for FY 2013 and FY 2014 from the Recalculated State Aid ADM Counts reports (ADMS 46-1), 100th-day counts. Both reports are available on ADE’s Web site at the link below:  <a href="http://www.ade.az.gov/districts">www.ade.az.gov/districts</a>
Summary	Soft Capital Allocation	No revenues or expenditures should be recorded in the Soft Capital Allocation Fund for FY 2014. Only transfers-out to close out the fund should be recorded.
Summary	Other Capital Funds	Record the total of Funds 660 and 665 as reported on AFR page 6, Other Funds, lines 32 and 33.
Summary	Federal Projects	Record the total of Funds 100-399 as reported on AFR page 5, Federal Projects, line 18.
Summary	State Projects	Record the total of Funds 400-499 as reported on AFR page 5, State Projects, line 29.
Summary	School Plant Funds	Record the combined totals of School Plant Funds 500, 505, 506, and 640 as reported on AFR page 6, Other Funds, lines 5 through 7, and 30.
Summary	Gifts and Donations	Record the combined total of Funds 530 and 650, as reported on AFR page 6, Other Funds, lines 12 and 31.
Summary	Other Funds	Record the combined total of the Other Funds on AFR page 6, line 42 and the other Internal Service Funds on AFR page 6, line 4.
Supplement Page 1	Program 520 Special K-3 Program Overrides	Report M&O Fund expenditures of Special K-3 Program Overrides approved by voters before November 24, 2009, on lines 1-9.  Do <b>not</b> include expenditures from any Special Program Override approved pursuant to A.R.S. §15-482 for preschool children with disabilities and students enrolled in kindergarten through grade 12. Those override expenditures should be included on the applicable lines for the M&O Fund on page 2 of the AFR.
Supplement Page 1	Program 540	A.R.S. §15-910.01 requires the State Board of Education (SBE) approval prior to including amounts here. Currently, no districts have been authorized by the SBE.
Supplement Page 2	General	Amounts included on this page must also be included on AFR page 4, lines 2-9 as appropriate.
Supplement Page 2	Program 540	A.R.S. §15-910.01 requires the State Board of Education (SBE) approval prior to including amounts here. Currently, no districts have been authorized by the SBE.

## Helpful Hints for Using the AFR Forms in Excel

### Format and View Options

To ensure the accuracy of the calculations, each sheet is protected and cells with formulas have been locked. Information should **not** be manually entered in the shaded areas or protected cells. When the sheet is protected you can move from one unprotected cell to the next using the Tab key. Formulas should not be changed or deleted unless specifically instructed to do so by the Office of the Auditor General or the ADE. Row height, column width, and cell format may be modified without unprotecting the sheet. Grid lines have been turned off in order to make the forms easier to read. Users may turn the grid lines back on without affecting the calculations or printing of the spreadsheet. Significant changes from last year's forms are highlighted in yellow throughout the spreadsheets. Users may remove highlights if they prefer before finalizing.

### File Integrity

Please keep the following in mind when using the forms in Excel to ensure that the district's data can be properly processed by ADE:

- File names should **not** be changed. If the file names are changed, the files may not appropriately link to each other.
- Rows and columns should **not** be added to or deleted from the forms
- Information should **not** be copied and pasted from prior year's forms, as it can cause merged cells to unmerge and may result in duplicate reporting of expenditures, and/or the value being placed into a cell reference that is different than where ADE's processing system is expecting it, and
- Sheet tabs should **not** be renamed.

\*\* Users with an Excel version newer than Excel 2003 should save the file in the "Excel 97-2003 Workbook (\*.xls)" format. ADE's computer system is not able to process files with the.xlsx file extension.

### Printing

The Excel files have been formatted to print on legal size paper (8 ½" by 14"), except for the Instructions, AFR Summary, and Current Expenditures by School reporting page which are formatted to print on 8 ½" x 11" paper. If your printer's settings are different from those used to set up the files, a little experimentation may be needed to get each sheet to print on one page. Users should try changing the "scaling" under page setup if needed.

- To print the entire file including the instructions—Select File/Print/Entire Workbook
- To print one page—Select File/Print/Active Sheets
- To print a group of pages (for example to print all sheets without the instructions)—Click on the Excel tab for the first page to be printed and hold the Shift key while clicking on the Excel tab for the last page to be printed – this selects the sheets as a group. Then select File/Print/Active Sheets

If you have any questions or suggestions for improving the forms in future years, please contact Chris Votroubek of the Auditor General's Office at (602) 553-0333, or e-mail us at the address below:
