

It's sports physical time!

Is your child interested in playing sports?

If you answered yes,

then your child will need a sports physical before they can play.

YRMC's Partners for Healthy Students can help!

They will be at Mayer High School on

Friday, May 11th, 2018.

All physicals are performed by a Certified Pediatric Nurse Practitioner.

This is at no cost to you.

Your student must be accompanied by a parent or legal guardian.

You must call to schedule an appointment for May 11th.

You can pick up your sports packet and mobile clinic forms from the school's front office or Partners for Healthy Students will mail them to you.

Appointments fill up fast!

Please call to schedule today! (928)771-5123
